The possibility to satisfy your request will be reviewed by our technical department. In case of its manufacturability, you will receive a quotation and if you place a binding order we will send our drawings for you to approve them in writing before starting the production itself. Time of delivery will be defined individually according to the complexity of the technical solution and counted from the date of receiving your binding order. The goods can be ordered exclusively through KORADO's contractual sellers. **Please, send the completed form to info@korado.cz**
